Angus identified ex Susan's marriage & death certs. Susan's mother given as Mary THOMSON on marriage cert. and Janet THOMSON on death cert., but we believe her mother was Janet McTAVISH. We have copies of marriage certs. for Betty & Ann, and transcribed details of marriage certs. for Duncan, Susan, Angus, Mary, Archibald and William: all confirm father as Angus McLARTY. Betty, Ann & Archibald have mothers name Jane(t) McTAVISH, all others give Janet THOMSON, except Susan whose mother is given as Mary THOMSON. Registrars in Central Scotland were encouraged to change Gaelic names. Thomson is the Anglisised form of McTavish. 'Mary' instead of Janet may be an error. Angus + 1st 4 children births ex Argyll IGI. No births found for any of last 7 children whose approx. birth dates come from age at census dates. Janet McTAVISH birth ex Scots ORIGINS. She was 43 in 1851 Lochgilphead (Glassary) census and 52 (born at Loch Awe, Argyll) per 1861 Paisley (Abbey) census. 1st child was called Isobel ex IGI birth details, later known as Betty (e.g. 1841 census) and Elizabeth (e.g. her marriage). Betty & John McTAVISH had 3 daughters, all teachers. Ann married her cousin Duncan McLELLAN who was a captain on Burns Line ships. Donald died at sea in a storm. Duncan married, and had a daughter who married an American. Archibald was a witness at Susan's wedding. Angus jnr was the witness on his fathers death certificate. Ann McLELLAN looked after Angus Wyse's children in Barrhead after Susan McLARTY or WYSE died in 1887 (details from Carolyn Nicol & Meg Wyse).

SUSAN McLARTY

Susan's marriage certificate gives her father as Angus McLarty and mother as Mary Thomson. Neither parents were marked as deceased. Her death certificate confirms her fathers name but her mother is given as Janet Thomson. Both parents were deceased.

We have never found a marriage between an Angus McLarty and Mary Thomson and our research suggests that Susan's mother was in fact Janet McTavish. The surname Thomson on the death certificate may have been taken from the marriage certificate. Susan's husband Angus Wyse registered the death. So why did Mary Thomson appear on the marriage certificate ?

For those researching the Thomson name in Killean and Kilkenzie, it may be relevant to note that, in this area at least, Thomson was an anglicised form of McTavish [ex Sarah Galbraith sarah_galbraith@compuserve.com]

Susan could not write when she was married (her mark was witnessed by Angus and Archibald McLarty, possibly 2 of her brothers – or her father and brother)

It is possible that Mary Thomson could have been Susan's bridesmaid and a mistake was made on her marriage certificate.

There was a Mary Thompson, age 26, living at Lonsdale Bleachfield Womens Lodging House in 1861.

At this time Susan, age 21, was living at Lonsdale Cottage as a domestic servant to David and Henrietta Thompson

We should check on the death certificates of some of Susan's brothers or sisters to see what their mother's name was.

We could not find Susan in the 1851 Lochgilphead census, but Susan and Betty are in the [1851 Paisley \(Foxbar\) Census](#) living with 102 other girls (all from Argyll), bleaching muslin.

Her oldest sisters, Betty and Ann, were each married by ministers of the Free Gaelic Church, which could mean Susan might not have spoken good English (Gaelic being her 1st language)

The only Susan McLarty birth between 1838 and 1848 in Scotland was a birth on 08-06-1838 to Malcolm McLarty and Helen Thomson in Port Glasgow.

Angus McLarty was born in 1802. (IGI does not give day and month). Angus McLarty married Janet McTavish at Glassary on 19-01-1830

Angus McLarty died 29-05-1878 aged 75, father = Duncan McLarty, mother = Sarah. Duncan McLarty married Sarah McLarty at Killean & Kilchonzie on 19-06-1790

1841 census gave birthplace for all as Argyllshire. 1851 gave all as Glassary, Argyll.

* = In the past Isobel was a form of Elizabeth (Chambers 20th Century Dictionary), hence the shortening to Betty. She was referred to as Elizabeth on her marriage certificate in 1862

= Birthplace recorded as Kilmichael, Argyll (i.e. part of Glassary)

^λ = Hugh Corbett, adopted son, aged 6, born Sinegarten (?), Argyll was also living with this family in 1861

unresolved question = Children were born at regular 2-year intervals so could Donald and John be the same person ?
