The informant on Clementina's death certificate was her daughter Margaret Hamilton. This death certificate gave Clementina's parents. Details of parent's marriage and Clementina's birth transcribed from Logie Pert OPR at New Register House. IGI on the internet confirmed these and the birth of the other children. Christening dates and parents names for John and Ann are broad guesses from IGI records. There were lots of John Low's but not many from Logie Pert. The fact that the mother's name of the one born in Logie Pert was Clementina suggesting that this is the correct one. David and Clementina had the following children christened at Logie-Pert; Mary (01-06-1769), Elizabeth (21-08-1772) and John (12-08-1774)
