John HUNTER & Elizabeth GIBSON are Margaret Wright's g-g-grandparents. They had 9 children. The direct lineage is Samuel (6th child) & the above John Snr. was their 7th child. We have details of John HUNTER in the 1841, 1851, and 1861 Dalry Census, when he lived with his parents and family at Halfmark, Dalry

We found the above family in the 1881 census where John snr. is the only one of that name who was born in Dalry around 1837. John, a wood forester, (aged 44, born Dalry) was living at Marchwell, Kells with wife Janet, (39, born Kirkpatrick Durham), and Janet (13), John (11), Elizabeth (7), all born Dalry, + Mary (3) and Andrew (1m), both born Kells.

John's marriage to Janet MURPHY, their births and names of their children came from the Internet IGI.

Scotlands People provided death info. re the 1st Elizabeth and for Samuel Gordon. Both records are in the index but we did not download the full certificate details.

John & Janet Hunter in census

1871 census
