GALA CHAIRMANS WELCOME - DEREK McCALLUM

Welcome to the Gatehouse gala—let us hope the weather is kind to us so that everyone can enjoy themselves in this wonderful part of Scotland. We have many of the old favourites this year plus some new items which we hope you will enjoy. The torchlight procession will go ahead on the Wednesday night as usual and many thanks to you all who last year participated and made it such a successful evening. This year we are hoping to run a Scottish event immediately before the torchlight procession which should be good. We are also running the Search for a Star, another new event, looking for the star quality which I am sure many of you have - singers/musicians, you just have to get up there and show it! This year the raft race will be held on the final Sunday, starting around 1600 hours, I know that many of you like watching the final stages of the race from the bridge, but could I ask you to refrain from throwing anything at the rafts as they pass under you. Last year we did have some participants who got substances in their eyes, which is unpleasant and could have serious consequences. In this ever increasing bureaucratic world, too many complaints and we would have to consider cancelling the raft race, which I am sure is the last thing everyone wants - especially the competitors. Later on the final Sunday we have the riding of the Marches which goes from strength to strength. I would like to give a hearty thanks to all my committee members and the convenors of the various events - they do a great job, mostly behind the scenes. Lastly I would like to thank all the sponsors, those who have supported us over the years and our new sponsors this year - without you all, making the Gala a success would be much more difficult, if not impossible.

Enjoy as many events as you can - at the end of the day that's what it's all about.

GALA WEEK PHOTOGRAPHY

During Gala week photographs of all events may be taken by Gala Officials and local press photographers, for publication and future promotion purposes. (Gala officials will be wearing badges and or stewards jackets)

If you do not wish you or your children to be included in any photographs taken please tell the photographer at the time.

PROVOSTS MESSAGE

Welcome to Gatehouse of Fleet, or to some of you reading this, welcome back. Gatehouse is always a great place to have a holiday but it is always that wee bit special during Gala Week for visitors and locals alike. There are so many different things going on for all ages throughout the week, that you are bound to enjoy some of them; either as a participant or as a spectator and full details are in this brochure. Gala does not just happen, it is the result of many meetings, discussions, plans and contingency plans and endless worry that it will all work out on the day. It always does work out and for that we have to thank the Gala Committee for every single one of them sacrifices a lot of their time, before, during and after Gala Week. On behalf of the whole community I thank you all, including the "helpers" for each event and the stewards for the magnificent torch light parade. If you only come to one evening event, make it this one. I promise it really is a spectacle to see the whole length of the High Street full of blazing torches. The fireworks in the park where the parade ends are always a great show too. Gala Day on the last Saturday is another one I try not to miss. Everyone is there, but if they are in the parade either as a walker or on one of the floats, you might have a hard job recognising them.

I urge you all to take part and hope you will enjoy Gatehouse hospitality throughout your stay with us.

Mark Laird
Provost

RIDING OF MARCHES INFORMATION

At 6.30pm on the evening of Sunday 5th August, a cavalcade of riders lead by the Standard Bearer Tom Brown, Fleet Lad John Scott and Fleet Lass Jill Windop will leave the clock tower in Gatehouse of Fleet to begin the 2007 Riding of the Marches. This is an old custom that is carried out to re-enact the granting of a charter granting Gatehouse of Fleet the rights of a burgh boundary. The duties of the Fleet Lad and Lass are to ride the boundaries of Gatehouse of Fleet and to mark them in accordance with the charter. The riders will then proceed to the

Cally Hotel where the charter will be handed over by 'James Murray of Broughton'. The cavalcade will then ride around the streets of Gatehouse of Fleet stopping to take a stirrup cup at various points along the way. It will then proceed to the war memorial where a wreath will be laid. They will end the ride at the clock tower where the provost will receive it along with the burgh standard. All riders are welcome to join in this cavalcade. Further details of the route can be seen in the window display at Galloway Lodge Preserves shop on the week prior to the event. For further details contact Derek McCrae on 01557 814278

GATEHOUSE GOLF CLUB

This 9-hole course is situated on the Laurieston road, within walking distance of Gatehouse. Imaginatively laid out in 1921, the course is a good test of a player's golfing skills all the year. Whilst the good golfers enjoy the challenge the course presents, it is also the type of course that can be played and enjoyed by any standard of golfer, including beginners and juniors. From the clubhouse, and playing the first hole, impressions are of a very hilly course, but visitors should not be put off, as the next seven holes are more on a level, before playing the dramatic short 9th hole back to the clubhouse. The views alone are worth the visit, as in one direction beautiful hills and glens can be seen, whilst in the other the view over gatehouse itself to Wigtown bay and the Isle of Man is rather special. Visitors are made most welcome, and the club attracts golfers from all parts of the United Kingdom as well as overseas. Most people having played the course once, cannot wait to arrange a return visit, such is the enjoyment and pleasure a game of golf at Gatehouse can give you. The green fees for the 2007 season are £15 per day (including weekends) for adults and £8 for juniors (under 18). There is no limit to how many holes you can play in the day, so with the long summer days, plenty of golf can be played. The course is reserved most Sunday mornings until approximately 12 noon for club competitions for members, but apart from that time, visitors are very welcome. (full details of any special tee reservations i.e. party bookings etc, can be seen on the notice board at the club car park. Any queries re booking the course for large groups, applications for annual membership or any other query, please contact Frank Maycock on 01557 814087. We hope you enjoy your visit to Gatehouse, and also that you find time to have a game of golf.
