

A photograph of a rectangular, light-colored granite gravestone set in a grassy area. The stone has a slightly weathered texture. The inscription is carved in a serif font. At the bottom of the stone, there are some faint, illegible markings that appear to be a signature or date.

A photograph of the same rectangular, light-colored granite gravestone, showing it from a slightly different angle and in a different state of wear. The inscription is the same as in the 2016 photo. The stone appears slightly more weathered and the grass around it is more visible.
