Dear Nigel,

I am writing to thank you very much indeed for all your hard work on "The Road" on Sunday. It is a great success!! You can be satisfied that, at least, the improvement has been done.

May I congratulate you, personally, for the wonderful enthusiasm, hard work and splendid leadership you displayed in getting the team to work so well. It was good to see the keenness of all your party who all seemed to be enjoying a job they would not normally be expected to do!!

I was disappointed that I could not join in with the physical work - I felt very frustrated and sorry.

In two weeks the whole job will be done and many people can appreciate if the good work. Many thanks

Yours sincerely
Ian
