

2023 season

The opening competition of the 2023 season, the Auchenlarie Cup, was played for on Sunday morning at Gatehouse Golf Club, with an excellent turnout for the event. The Captain for the 2023 season, Jack Donald, is seen hitting the first ball of the season on the first tee surrounded by members, after welcoming everyone, to what he hoped would be a great start to the season. He also won the competition, shown by the results below, so it proved to be an excellent start to his season. He is pictured being presented with the trophy by Mary Cowan, on behalf of the McCulloch family, formally of Auchenlarie Holiday Farm, who donated the trophy to the club way back in 1980. Marys mother, “mither” as she was known, presented it for the very first playing of the competition back then.

Much excellent work has taken place on the course over the winter period by a group of club volunteers, and this bodes well for the season ahead, with the course in great order for the opening competition.
