Handicap Changes from 2018 to 2019

1. all players other than the league winner have an increased handicap based on league position.
2. eventual competition winner has handicap reduced by 7, runner-up by 5, losing semi-finalists by 3.
3. non-playing of games is penalised by 2 points per game.

(N.B. in some cases the lower league position results from not playing all games !)
