1974-75 Valuation Roll for Anwoth

N.B. Grey lettering in the "Proprietor" column usually represents text that is repeated where the original has a "do." (ditto).

Red lettering represents information that has been inferred from other documents, e.g. Censuses & property deeds.

We photographed 38 pages of Anwoth Valuation Rolls for the period Whitsunday 1974 to Whitsunday 1975.

These have been transcribed below. They exclude properties within the town of Gatehouse - Fleet Street, Garden Street, Riverbank etc.

Each of the 38 pages refer to the special district as "Outwith", the missing properties being within the borough of Gatehouse.

At Auchenlarie there are 2 caravans with reference number P17 (pages 27 & 28).
