

1 Birtwhistle Street

From the time they were built (in 17xx) until 1947, all the properties on the north side of Birtwhistle Street were under single ownership. The owner did change from time to time, but ownership covered all the houses on that side of the street.

The censuses alone do not provide sufficient information to be sure of who lived in what house before the 1881 census.

Ownership up to 1947 is contained in a separate file ("Birtwhistle St.N to 1947"), and all recorded occupants of Birtwhistle Street in the first 4 censuses are also listed separately ("Birtwhistle St.N census 1841" to Birtwhistle St.N census 1871")..

The blue arrows point out where we believe No 1 Birtwhistle Street used to be. The north side of Birtwhistle Street consists of a single terrace of properties. At the west end is West View, at the east end is East View. Between these two properties were originally 12 properties numbered 1 to 23. At some stage no.1 Birtwhistle Street was integrated with East View which has a front door facing into Castramont Road.
