

3 Birtwhistle Street

From the time they were built (in 17xx) until 1947, all the properties on the north side of Birtwhistle Street were under single ownership. The owner did change from time to time, but ownership covered all the houses on that side of the street.

The censuses alone do not provide sufficient information to be sure of who lived in what house before the 1881 census.

Ownership up to 1947 is contained in a separate file ("Birtwhistle St.N to 1947"), and all recorded occupants of Birtwhistle Street in the first 4 censuses are also listed separately ("Birtwhistle St.N census 1841" to Birtwhistle St.N census 1871")..
